

# Sean Brown

## Software Developer

908-910-6841 | seanbrown5757@gmail.com | Toms River, NJ | <https://.linkedin.com/in/seanbrown71/> | <https://github.com/sbrown5757>

Fullstack Software Engineer with a desire to create exciting and useful applications as well as learn new technologies.

## TECHNICAL SKILLS

**Proficient:** Node, Javascript, React / Redux, Git, Express, PostgreSQL, Sequelize, HTML5, CSS

**Knowledgeable:** Mocha, Chai, MongoDB, Mongoose

## TECHNICAL PROJECTS

**Peak | Developer** | 01-02/2023 | <https://github.com/capstone-peak/peak>

*A fitness web application where users can document their progress towards their physical goals by logging workouts, keeping track of calorie intake and view friends workouts.*

- Developed with Next.js, React, Supabase and Material UI
- Created the login/signup pages as well as the implementation of authentication via Email and Password, Facebook and Google OAuth via Supabase Authentication
- Designed and implemented a users personal profile page that they can edit as well as a public facing profile page other users can view and interact with

**Todo List | Developer** | 01/23 | <https://github.com/sbrown5757/ToDo-List>

*A simple todo list app which allows users to create, edit and delete todos so they can keep track of their tasks.*

- Made with React, Redux, Express, PostgreSQL and Sequelize
- Created entire frontend and backend for application allowing users to make accounts and log their tasks

**Bullseye | Developer** | 01/23 | <https://github.com/Discord-GraceShopper/Grace-Shopper>

*A mock E-Commerce site inspired by Target's website. Users can make an account, scroll through a catalog of products, view single products, add/remove/update quantity to cart and "checkout"*

- Developed with React, Redux, Express, PostgreSQL and Sequelize
- Designed the login/signup pages as well as utilized JSON Web Token in order to handle authentication
- Created and designed the profile and edit profile pages as well as worked on the guest cart functionality

## EXPERIENCE

**Assistant Manager | Pacific Sunwear** | Toms River, NJ

10/2019 - 09/2022
